## Reminder: P4G Open House – January 24, 2017

For immediate release: January 17, 2017

CY17-102

The Saskatoon North Partnership for Growth (P4G) reminds residents in the Rural Municipality of Corman Park, the Cities of Saskatoon, Warman, and Martensville, and the Town of Osler to attend the open house for the Regional Plan (Plan) on Tuesday, January 24, 2017.

The goal of the Plan, expected to be completed in April 2017, is to ensure that each of the five partnering municipalities can benefit from growth opportunities, increase efficiencies, and reduce costs by working together. The Plan will consist of land use, transportation and servicing plans, outline the strategies needed for implementation, and propose new governance and administrative structures for the region.
