## **Saskatoon North Partnership for Growth Draft Regional Plan is Complete - Public Information Session on Tuesday, June 27, 2017**

The Saskatoon North Partnership for Growth (P4G) is pleased to announce the draft P4G Regional Plan (Plan) is complete.

“The goal of the Plan is to ensure each of the five partnering municipalities can benefit from growth opportunities, increase efficiencies, and reduce costs by working together,” says Alex Fallon, Independent Chair of the P4G Regional Oversight Committee and President and CEO of Saskatoon Regional Economic Development Authority (SREDA).

The draft Plan recommends a series of guiding principles and policies around land use, transportation, servicing, and implementation, as well as proposes new governance and administrative structures for the region.

The P4G invites residents in the Rural Municipality of Corman Park; the Cities of Saskatoon, Warman, and Martensville; and the Town of Osler to an Information Session for the draft Plan.

“The draft Regional Plan is a significant milestone in our efforts to plan for long-term growth across our region. I encourage the public to attend to understand how the Regional Plan will work and the next steps,” Fallon says.
